Pursuant to Chapter 123 of 1974, Public Laws of the State of New Jersey, known as the New Jersey Employer-Employee Relations Act, the Little Silver Board of Education hereby recognizes the Little Silver Education Association as the exclusive representative for collective negotiations concerning the terms and conditions of employment for only full time certificated personnel under contract with the Board, or on leave from the school district, including by way of limitation teachers, librarians, nurses, learning disabilities teacher-consultants, but excluding the Superintendent, principals, as well as secretaries, administrative office personnel and custodians.

- C. Unless otherwise indicated, the term "full time" when used hereinafter in this Agreement, shall refer to any certificated person continuously employed under contract for 20 hours or more per week.

## Article II NEGOTIATION PROCEDURE

- A. In accordance with the provisions of Chapter 123 of Public Laws of 1974, the parties agree to commence collective negotiations on a successor agreement not later than dates set forth by the Public Employment Relations Commission.
- B. Upon reasonable request by the president of the Association, the Board agrees to make known to the president when and where the Association may obtain documents that the Board is required by law to release, including annual audit, tentative budget after approval by County Superintendent, agenda of Board meeting during the school day of meeting, approved minutes, and names and addresses of all teachers in unit.
- C. Neither party in any negotiations shall have control over the selection of the negotiating representatives of the other party.
- D. This Agreement incorporates the entire understanding of the parties on all matters which were or

could have been the subject of negotiation. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.

- E. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

### Article III GRIEVANCE PROCEDURE

A. Definition:

A "grievance" shall mean a complaint by a teacher or the Association that there has been a violation, misinterpretation or misapplication of the terms and conditions of this Agreement or those Board policies which affect the terms and conditions of employment. A grievance to be considered under this procedure must be initiated in writing by the teacher or the Association within thirty (30) calendar days from the time when the teacher or the Association knew or should have known of its occurrence. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to grievances. Both parties agree these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

B. Procedure:

1. a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant or the Association to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
- b. It is understood that grievants shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
2. Any complainant who has a grievance shall discuss it first with his/her Principal in an attempt to resolve the matter informally at that level.
3. If as a result of the discussion, the matter is not resolved to the satisfaction of the grievant

within five (5) school days, he/she shall initiate a grievance in writing to the Principal specifying:

- a. the nature of the grievance;
- b. the nature and extent of the injury, loss or inconvenience;
- c. the results of previous discussions;
- d. his/her dissatisfaction with decisions previously rendered.

The Principal shall communicate his/her decision in writing to the grievant within five (5) school days of his/her receipt of the written grievance.

4. The grievant, no later than five (5) school days after receipt of the Principal's decision, may appeal the principal's decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal as specified above and his/her dissatisfaction with the decisions previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible and the Superintendent shall communicate his/her decision in writing to the grievant, the Association and the principal within a period not to exceed ten (10) school days.
5. If the grievance is not resolved to the grievant's or Association's satisfaction, he/she or they no later than five (5) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education.

The Board, or committee thereof, shall review the grievance and shall, at the option of the Board, hold a hearing with the grievant and render a decision in writing and forward copies thereof to the grievant and to the Association within thirty (30) calendar days of receipt of the appeal. If the Board makes the decision not to hold a hearing, the grievant and the Association shall be notified of this decision not later than thirty (30) calendar days after receipt of the appeal. Grievances to be presented to arbitration shall be limited to the application or interpretation of this written Agreement. Decisions of the Board in the following matters shall be final and such decisions shall not be subject to the arbitration procedure:

- a. a complaint of a non-tenured teacher which

arises by reason of his/her not being re-employed; or

- b. a complaint by any certified personnel occasioned by lack of appointment to or lack of retention in any position for which tenure is either not possible or not required; or
  - c. a complaint arising from an alleged misapplication of Board Policy, except if the complainant wishes to appeal such decision to the Commissioner of Education.
6. Nothing contained herein shall be construed as limiting the right of any teacher having a grievance to discuss the matter informally with an appropriate member of the administration, and having the grievance adjusted without intervention of the Association, provided adjustment is not inconsistent with the terms of this Agreement.
7. If the decision of the Board does not resolve the grievance to the satisfaction of the Association and the Association wishes review by a third party it shall so notify the Board through the Superintendent within ten (10) school days of receipt of the Board's decision.
8. a. A request for arbitration shall be made by either party to the American Arbitration Association. The parties agree to be bound by the voluntary labor rules of the American Arbitration Association.
- b. The arbitrator shall limit him/herself to the issues submitted to him/her and shall consider nothing else. He/She can add nothing to or subtract anything from the Agreement between the parties or any policy of the Board of Education. The decisions of the arbitrator shall be binding on the parties. Only the Board and the aggrieved and his/her representatives shall be given copies of the arbitrator's award. This shall be accomplished within thirty (30) days of the completion of the arbitrator's hearing.
9. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.

#### C. Rights of Teachers to Representation

1. Any aggrieved person may be represented at all stages of the grievance procedure by him/ herself, or, at his/her option, by a representative selected or approved by the Association.

2. When a teacher is not represented by the Association in the processing of a grievance, the Association shall, at the time of submission of the grievance to the Superintendent or any later level, be notified that the grievance is in process, have the right to be present and present its position in writing at all hearing sessions held concerning the grievance and receive a copy of all decisions rendered.
  3. The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination or reprisal in presenting his/her appeal with respect to his personal grievance.
- D. 1. If, in the judgment of the Association, a grievance affects a group or class of teachers in more than one school, the Association may submit such grievance in writing directly to the Superintendent and the processing of such grievance shall commence at that level. The Association shall have the exclusive right to pursue such grievances.
2. All documents, communications and records dealing with the processing of a grievance shall be filed in a separate grievance file.
  3. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Association and Board and given appropriate distribution so as to facilitate operation of the grievance procedure.
- E. Costs:
1. Each party will bear the total cost incurred by themselves.
  2. The fees and expenses of the arbitrator are the only costs which will be shared by the two parties and such costs will be shared equally.

A copy of the current evaluation form will be made available to all teachers.

No material derogatory to a teacher's conduct, service, character or personality shall be placed in his/her personnel file unless the teacher has had an opportunity to review the materials. The teacher shall acknowledge that he/she has had the opportunity to review such material by affixing his/her signature to the copy to be filed with the express understanding that such signature in no way indicates agreement with the contents thereof. The teacher shall also have the right to submit a written answer to such material and his/her answer shall be reviewed by the Superintendent or his/her designee and attached to the file copy.

Final evaluation of a teacher upon termination of his/her employment shall be conducted prior to severance and no documents and/or other material shall be placed in the personnel folder of such teacher after severance except in accordance with the procedure set forth in this article.
